1. Educational Purpose Only

The services available through swapcoinvest.com and app.swapcoinvest.com are provided for educational, informational, and consulting purposes only.

Nothing on the Platform should be interpreted as a promise of financial gain, a guarantee of performance, a personalized investment recommendation, or a substitute for professional legal, accounting, tax, brokerage, or regulatory advice.

2. No Brokerage or Custody Relationship

Unless the Company expressly states otherwise in a separate written agreement, the Company is not acting as a broker, dealer, custodian, exchange, financial institution, investment adviser, or fiduciary for the user.

3. Trading and Market Risk

Materials related to trading, market behavior, digital assets, leverage, signals, examples, case studies, or strategy walkthroughs involve risk and may describe volatile or uncertain outcomes.

Past performance, sample scenarios, case studies, historical examples, or testimonials are not reliable indicators of future results and do not describe a typical outcome for every user.

Users remain solely responsible for evaluating their own risk tolerance, obtaining independent advice where needed, and making their own decisions.

4. No Warranty of Results

The Company does not warrant that any course, mentoring program, consultation, dashboard, educational tool, or support process will produce a specific result, revenue level, trading outcome, exam score, or career advancement.

5. Third-Party Information

The Platform may reference third-party products, tools, exchanges, websites, media, or service providers. Such references do not necessarily mean endorsement, and the Company is not responsible for third-party content, availability, policies, or conduct.

6. Technical Disclaimer

The Company does not guarantee that the Platform will always operate without delay, interruption, data sync issues, bugs, or temporary unavailability.

7. User Responsibility

The user is responsible for compliance with applicable law, tax obligations, restrictions applicable in the user's own jurisdiction, and the user's own due diligence before acting on any information.
